NERVOUS DEBILITY PILLS.

ENGLISH BRAND. The only genuine cure for Lost Manhood, Exhausted Vitality, Weak Memory, Palpitation of the heart, Premature Decay, Lack of Confidence, Inability of the Married (either sex), and Despondency, all of which follow in the trail of youthful errors, immoderate and excessive indulgence in sexual excess. I positively guarantee these Pills to do everything I claim for them—so strong is my faith in them that I can return them if they do not help you. To introduce these Pills I will send a large ONE DOLLAR PACKAGE, which ought to be sufficient to cure any case of Debility for only 20c; enclose ten two-cent stamps in a letter with your address written plainly, and you will receive the Pills by return mail.

With the positive assurance on my part that you will never regret the day that you came in possession of this priceless remedy, which restores the vitality, extends itself to the intellectual faculties, elevates the emotions, dispelling the fumes of life and restoring its blessing. Read the following testimonials as to whether I am a curing people or not.

"The trial package of Nervous Debility Pills you sent done me good. I was troubled with what I called rheumatism in my thighs and they helped me wonderfully." H. M. WENSTER, Walton, Iowa.

"Send me some more of those Pills as those you sent me done me so much good that I thought I would send for more of them." JOHN WATKINS, Collington, N. C.

"Find stamps enclosed for two more packages of your Nervous Debility Pills as those I got of you before done me more good than any medicine I have ever taken." Ed. FRIESTRICK, Fredericksburg, O.

"Received the medicine, I think it good; will order more." JOHN WENSTER, Broadlands, Ill.

"I received your medicine and am very much pleased with it; it has helped me a great deal. Enclosed find money for another package." T. M. ANDERSON, Westville, O.

\$500 REWARD will be paid for a case of Lost Manhood, Exhausted Vitality, Weak Memory, Palpitation of the heart, Premature Decay, Lack of Confidence, Inability of the Married (either sex), and Despondency, that I cannot cure. Now after reading the above if you have any doubts about me or my medicine do not send, but if you really want to get cured I can and will guarantee to cure you. I have been a Practicing Physician for a great many years and during my experience I never came across quite as good a remedy for Nervous Debility as I offer here—it is one of the most valuable remedies ever discovered and if I were a younger person I would advertise it everywhere at \$1.00 a package, but getting well along in years and having already made a fair sized fortune in my medical practice, I have no desire now to get rich, all I care for now is to see how many people I can cure, so that they may enjoy this life. Now remember that for a short time I will send you a large ONE DOLLAR PACKAGE of these PILLS if you will wrap up two dimes and send to me within ten days after you receive this paper, I hope to have the pleasure of hearing from you at once.

Will I be successful? or do you prefer to remain a lifelong sufferer? Enclose two dimes in your letter, and send at once to Dr. A. H. Smith, AVON, N. Y. and you will receive a large One Dollar Package by return mail. Doctor Smith is reliable and merits public confidence. Nov. 23, 1893.
